

Publishing in 2 languages

We are working fast to have our webpage ready in turkish aswell in english language and we will start soon with publishing it. Also our restaurant guide will be in the same way. Our aim is, to give our visitors a good feedback and right information. Therefore you will have the possibility to add your comments open, and to share you experience about the restaurants services, food and others. And this will help other visitors to decide to which restaurant to go and where to eat what. . .
